Have you seen our latest ECF Bulletin?

In the bulletin you will find a summary of the ECF programme and what you should be engaging with each week on UCL Extend (if you're an ECT, mentor, or facilitator), with links to the relevant pages on the UCL website, plus some key dates and guidance for your information.

You will also find some information about how to engage with the UCL materials more flexibly, so you can keep up to date with the programme in the midst of your busy teaching schedule.
